

American Gynecological Society.

FELLOWS:—

Of the twenty-eight Fellows who have responded to the recent circular all but two favor the postponement of the meeting. The affirmative vote thus being a majority of the active Fellows of the Society, it is hereby announced that the Third Annual Meeting will be held in Philadelphia on September 25, 26, and 27, 1878.

Attention is called to the vote passed at the last meeting, "That all Fellows be henceforth limited to thirty minutes for the *reading* of their papers," which, however, does not restrict the length of the manuscript for publication.

JAMES R. CHADWICK, *Secretary.*
